

# MYOB Essentials

## Easy online accounting

## How can MYOB Essentials help your business?

MYOB Essentials is easy online accounting that has everything you need to take care of business, including payroll.

### MYOB Essentials is perfect if you:

- + like some help getting the accounts right
- + want real time business insight, and the ability to get hands on with your accounts
- + currently use paper or a spreadsheet to manage the books
- + are looking for quick, simple invoicing, GST and payroll
- + want an accounting solution that doesn't require much software or accounting knowledge to use.

### See your cash flow in real time

See how much cash you have, your outstanding invoices and your tax liabilities in real time, so you have a clear picture of what needs your attention.

### Save yourself 10 hours a month\*

You don't need to be an accountant to use MYOB Essentials, anyone can do it. It's quick and easy to set up, and if you link your bank account, you won't need to manually enter data and your bank transactions are reconciled for you.

### Take the stress out of staying compliant

Work together with your bookkeeper or accountant without having to be in the same place. It makes meeting your regular compliance obligations easier. MYOB Essentials is updated automatically every time there's a tax change to keep you up to date.

MYOB Essentials is easy to use and available online via your web browser, which means there's no software to install on your computer.

### MYOB Essentials grows with your business

The MYOB Essentials range of accounting software can grow with your business, unlocking features like invoicing and payroll as you need them.
